**APRIL 20, 2010**

Dear MOSES Members,

MOSES has signed a memorandum of agreement with the Commonwealth to amend the Collective Bargaining Agreement for July 1, 2009 to June 30, 2012. This agreement will allow you to choose the option of having your furlough days deducted over five pay periods instead of waiting for the Governor to sign the bill which could have given you a much shorter time to fulfill your concession obligation. Equal deductions of pay will be taken over the 5 pay periods. If this is agreeable to you, members need to do nothing as this will be the default program.

Should you choose to take your furlough days in a different manner you will have to submit a form to your payroll department no later than April 27, 2010. Please check with your payroll department if you have any questions.

If by chance the funding bill is not signed by the Governor, the Commonwealth will compensate all employees who take furloughs for the hours that they were not paid for pursuant to the furlough provisions of the original memorandum on or before June 30, 2011.

Thank you,  
Joe Dorant
